Thanks for your email response, Isabel. In light of the data destruction issues in this case, our client is taking extra measures to ensure that the exchange of computers does not unnecessarily lead to a data destruction problem.

Michelle, I can't understand why you need an out-of-state "consultant" to "facilitate" the exchange of the laptops. Can't you just send someone up from downstairs?? Or I can send someone downstairs. Either way. This should take 2 minutes.

Isabel,  
Thank you for your email. As explained in our letter, we will be paying a consultant to facilitate the exchange of the laptop computers as a result of Joe's return of the wrong computer after his termination. In order to avoid unnecessary additional expenses, it makes sense to have the consultant make only one trip to Arizona and image the tower and the other computers in Joe's possession, custody or control during that visit. Please confirm your agreement with this arrangement. Thanks.

Michelle, I've reviewed your latest communication regarding the laptops. I'm glad we have finally resolved the ownership issue. Please have your computer tech call me to arrange a time to exchange the laptops. I will be in the office most of the day Monday and Tuesday.

I will respond to the other issues raised in your letter, but obviously NEI is required to return Joe's property immediately and unconditionally.
